Kingdom of Saudi Arabia Award of  
Environmental Management

## Award of the Kingdom of Saudi Arabia for Environmental Management in the Islamic World

### Advertisement

The Islamic, Educational, Scientific and cultural Organization (ISESCO) has call for the nominations for the **Award of the Kingdom of Saudi Arabia for Environmental Management in the Islamic World**, supervised by the General Authority of Meteorology and Environmental Protection of the Kingdom of Saudi Arabia.

2. Pakistan National Commission for UNESCO would much appreciate if Ministries/ Divisions and competent parties would disseminate the Award announcement to the general public in their respective departments, including individuals, governmental bodies, the private sector and non-profit associations or institutions, in order to apply for the Award through the following link:

<http://www.ksaaem.org/en/2016/11/22/announcement-of-opening-submissions-for-the-award-of-the-kingdom-of-saudi-arabia-for-environmental-management-in-the-islamic-world/>

3. The total value of the Award is US\$280,000 (US dollars two hundred and eighty thousand) covering the four categories. Three winners shall be selected for each category according to the following shares:

- a. First category: US\$80,000
- b. Second category: US\$70,000
- c. Third category: US\$65,000
- d. Fourth category: US\$65,000

#### Who will participate and instructions

Participation shall be open to all stakeholders involved in environmental management and sustainable development (individuals, groups, institutions, organizations, companies, associations etc. be they public, private or non-governmental) from the Islamic countries. Provided that they:

- Fill in the nomination form, for the category concerned, available on the electronic platform.
- Submit the nominees' CV.
- Submit a written affidavit stating that the work has never won any other prizes.

- In case of collective work, the submission must include a written consent of all participants, and specify the recipient's name to which the Award check should be issued.
- Submit a comprehensive report describing the submitted project, its innovative aspects, its scientific results and its impact on the environment and sustainable development at the local or global levels and possibilities of its implementation in the member states.
- The projects may be provided in Arabic, French or English.

**Last date for submission of nomination is April 2017**

For further information please contact the Submission Reception Division at the Award's General Secretariat at the following email addresses:
